Declaration by Parent/Guardian (please select all of the below to indicate your agreement)

☐ I have read the Parent/Guardian Information Sheet or someone has read it to me in a language I understand.

☐ I understand that the APR will share de-identified pooled data with approved users of the registry for research.

☐ I give permission for my child's treating doctor to release the described information to the APR concerning my child's condition and treatment for the purposes of research. I understand that such information will remain private and confidential, and I am free to withdraw it at any time without affecting the child's care.

☐ I have had an opportunity to ask questions and I am satisfied with the answers I have received.

☐ I understand that I will be given a signed copy of this document to keep.

Study Options (please select ONE)

Option 1 ☐ I give permission for my child's doctor to release personal information concerning my child's health to the APR. I understand that such information will remain private and confidential.

Option 2 ☐ I give permission for my child's doctor to provide **only de-identified** data to the APR. Information like my child's name and medical record number will not be sent to the registry. I understand that my child's doctor will not be able to update my registry records during our visit.
